Dear Dr. Avetisyan,

We cordially congratulate you, your colleagues and all the participants of Ivannikov ISPRAS Conference on the 70th anniversary of the IT industry in the USSR and Russia. We wish for a big success for the Conference. This industry of Russia will surely move forward to become one of the most important in the world.

We are impressed by ISPRAS achievements and look forward to a fruitful and mutually beneficial cooperation between ISP RAS and ICL ITRI.

Sincerely,

Dr. Fang-Chu Chen
